PUPPY CHOW RECIPE

INGREDIENTS

- 1 box Corn Chex™ cereal
- 4 tbsp. butter
- 1 c. white chocolate chips
- ¾ c. peanut butter
- 1½ c. strawberry cake mix

1. Warm up a few inches of water in a saucepan over low heat. Place a glass bowl over top of the saucepan, and add butter. Continue to stir the butter until it liquifies.
2. Using this same indirect heating method, add white chocolate chips and peanut butter. Continue to stir the chocolate as it begins to melt, paying close attention to the melting process so you do not burn the chocolate. As soon as it melts, remove from the heat.
3. Drizzle the melted chocolate mixture over the Chex,™ using a wooden spoon to carefully coat the cereal.
4. Divide the coated cereal into large Ziploc® bags filled with strawberry cake mix, and shake until all of the cereal has been covered. Empty into a large serving bowl, and enjoy!
