

HOT GIFT IDEA:

MAKE YOUR OWN HEATING PAD

OVERVIEW:

This easy and affordable craft project makes a great gift. Give one to everyone on your list, or make one for yourself to warm up in the winter!

Print the gift tags on card stock paper and cut out in order to be able to string onto your heat pad gift.

WHAT'S INCLUDED:

Gift LabelTie onto your diy heat pad to use as a gift.

THIS WINTER SEASON

To use, heat in the microwave for 15-30 seconds.

Check to see if it's warm enough, and repeat if necessary.

A GIFT TO HELP YOU
