

pin the flag on **THE MAP**

OVERVIEW:

Stir up a little competition at your celebration of nations with a pin the flag on the country game. Grab some maps from a travel agency or local AAA, and put your guest's world knowledge to the test in this educational game.

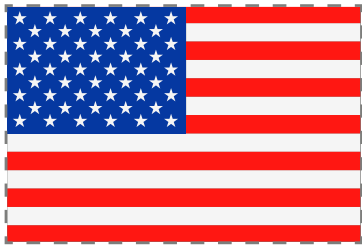

Have guests choose a color pin, and take turns guessing what flags belong to what country! How many can you guess correctly?

Secure your world map to a piece of cork using thumbtacks, and hang from an easily accessible wall at your party. Print these miniature flags, and cut out. Scatter the flags on a table, and let your guests select a color pin to use to make their guesses!

WHAT'S INCLUDED:

- **Mini flag printables**

Note: Not all countries are represented. For more flags you can search the internet and print out any additional countries.
