

ASK Y UR VET!

OVERVIEW:

Every pet owner has to take his or her companion to the vet, but sometimes the right questions to ask slip your mind.

Avoid a repeat visit by knowing what to ask and when, to ensure you get the most out of these necessary vet visits!

WHAT'S INCLUDED:

- **Question Sheet**
Bring the questions along with you to the vet and fill them in as you get answers.

ASK YOUR VET!

• What shots/vaccinations are needed and when?

• When can they start playing with other dogs?

• What preventative medications should we use, and when do we start them? [Heartworm, flea/tick...]

• When is the normal time to get dog a fixed?

• What are dog food recommendations?

• What are dog toy recommendations?

• Should I microchip my pet?

• Should I have pet insurance?

• Does my pet need to get a blood test or dental exam?
